**We Are Blessed!!!!
LIRT-2017**

We are blessed is an attitude of gratitude. This attitude gives rise to high self esteem. There are two games to be mastered in an endeavor to achieve extraordinary success. The inner Game and the outer Game.

The inner game:

Is like the iceberg below water which signifies attitude, self esteem, beliefs, trust, integrity, discipline, habits, responsibility etc which contributes to body language. Inner game is about our Beingness. What we are creates our Body language.

The outer game:

Signifies our knowledge, skill, communication, certifications, Networking relationships, etc which creates our Doingness. A strong inner game is a prerequisite for success in Insurance.

By the end of the conference Develop an Attitude of Gratitude on an ongoing basis
